Café Hope empowers individuals in the greater New Orleans area. Our unique non-profit model encompasses both this restaurant and a coffee shop (1151 Barataria) providing a rich, hands-on learning environment for comprehensive culinary training and life skills education. Café Hope is crafted to inspire confidence and enable our students to build rewarding futures. We're not just about serving great food and coffee; we nurture potential and foster a community of growth and success. Thank you for supporting us and more importantly thank you for supporting this mission by dining with us today.
